# MANIFESTO

---

Effective integration between the union website and the media group websites

Make the website more intuitive and easier to navigate

Mandate all societies to keep their information accurate, informative and up to date

Provide a live RSS feed of Union council meetings that all students can contribute to. Aimed at distance and ERASMUS students.

Dedicated forum on the websites for course reps where they can download resources and discuss problems with others.

---

Make your vote count. **Over nine thousand times.**
