**Seconded by:** Tom Baker  
(ULFC club captain 09/10)

### **Involvement so far-**

- ULFC player 08/10 and University Ski Club Member 08/10
- Football Foundation Member- Futsal Coach
- Member of Management Society 08/10
- Student Nights Promoter
- Fresher's Rep

### **My Main Objectives and What I Intend to do:**

- Looking towards trying to gain sponsorship deals for all Sports clubs and Society's via contacting firms around the local area and larger well known companies.
- Gaining sponsorship deals to enable clubs to have more money for equipment and training purposes so that clubs can keep on improving.
- To increase sponsorship by offering a partnership deal with local companies such as taxi firms, bars and clubs etc that will help them and us to gain as I believe this is the best way to get more money into sports and societies as companies are now less likely to give out sponsorship donations so we need to offer them something in exchange for example advertising space around Uni or on the website or by verbally promoting their company around Uni
- I am hoping to get Sports clubs and members using the Newly updated student website more regularly via event pages and latest news updates in order to gain better communication between sports clubs and members
- I intend to help make the Sports area of the student website more attractive and organised in order to increase activity on it and encourage students to join clubs and get more involved.
