- Aspiring to bring together its own staff and resources with the Sports & Recreation team;
- Introducing ad-hoc group receptions in order to deal with issues as they happen
- Better facilities that are tailored to the needs of our University and its students.
- To seek greater energetic student representation in order to have action that is more corresponding to the student body's wishes and facilities
- Community usage is a positive part of the sporting mission of the Union;
- Pursuing the integration of societies into the community by researching the use of schemes, programmes and initiatives that could be of long term benefit
- Helping to champion the idea of sport for all and continually developing our unions system for being a responsive and pro-active body that students can take advantage of
- Working with the Student Activities Officer and improving the current intramural programme
- Encouragement of a healthier lifestyle by following innovative and fresh new techniques, raising both awareness and accessibility to a greater experience
- Working alongside RAG to develop and explore new possibilities that intertwines sport with other student associations

- Review the setting up of a Sports Fund-Raising Federation whose chief concern is with raising money for charity through sporting events throughout the year
- Providing inspiring 'Come & Try' schemes to boost awareness at all levels
- Events such as Rugby Charity 7s for example could become a proposal which leads to further successes in this area of interest
- Aiming at raising awareness of charity work, encouraging active lifestyle and pursuing a good feeling about the ways in which our sports clubs practise their influence in good will
- Mandating each club and society to appoint a webmaster in future annual inter-committee elections
- Helping to develop an enhanced 'handover process' between existing and future committees
- A more professional and informative platform as an accessibility point
- Taking an active and personal interest in how sport can be improved, and taking your experiences in a more fulfilling and inspiring direction
- Ensure the Fresher Festival helps to promote sports - encouraging all different types of activities
- Ensuring the growth of community spirit and accommodating any outside interests
