

1 NO POVERTY

Refugee, poverty, social protection, disadvantaged, basic services

Target:

End poverty in all its forms everywhere

Main Themes:

- Cost of Living Crisis
- Social Protection
- Funding of Essential Services
- Living Quality

Tasks:

- Advocate for better living conditions
- Better social and essential services education
- Fundraising for poverty action charities
- Changing of policies and processes to protect lower-income students

2 ZERO HUNGER

Agricultural, crops, food, trade, malnutrition, waste

Target:

End hunger, achieve food security, improve nutrition and promote sustainable agriculture

Main Themes:

- Reduce Illnesses Linked To Malnutrition
- Cost of Living Crisis
- Accessibility to Healthy Food
- Rising Food Prices

Tasks:

- Advocate for lower food prices both on and off campus
- Increase access to food banks and support networks for those struggling to pay for food
- Fundraising for struggling communities, food banks and sustainable food options

3 GOOD HEALTH AND WELL-BEING

Mortality rate, pregnancy, mental health, vaccination, disability

Target:

Ensure healthy lives and promote wellbeing for all at all ages

Main Themes:

- Population
- Healthcare
- Mortality Rates
- Eliminate Diseases

Tasks:

- Advocate for better healthcare systems and policies
- Improving education and practices within medicine
- Investment in safer and healthier practices
- Fundraise for relevant charities within healthcare

4 QUALITY EDUCATION

Accessibility, equal rights, lifelong, training, global opportunity

Target:

Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all

Main Themes:

- Cultural Outreach
- Equal Opportunities
- Better Training
- Government Action

Tasks:

- Outreach and partnership with relevant organisations
- Advocating and support for better opportunities within the university
- Better training and support within academic societies

5 GENDER EQUALITY

human trafficking, reproductive rights, feminism, empowerment

Target:

Achieve gender equality and empower all women and girls

Main Themes:

- Legislated Gender Quotas
- Sexual and Reproductive Rights
- Eliminate Violence and Exploitation

Tasks:

- Ensuring equality within society activities and eliminating misogyny/sexism within your community
- Fundraising and partnership with relevant organisations and charities
- Creation of equal opportunities

6 CLEAN WATER AND SANITATION

Aquifer, defecation, disease, sewerage, hygiene, ecosystems

Target:

Ensure availability and sustainable management of water and sanitation for all

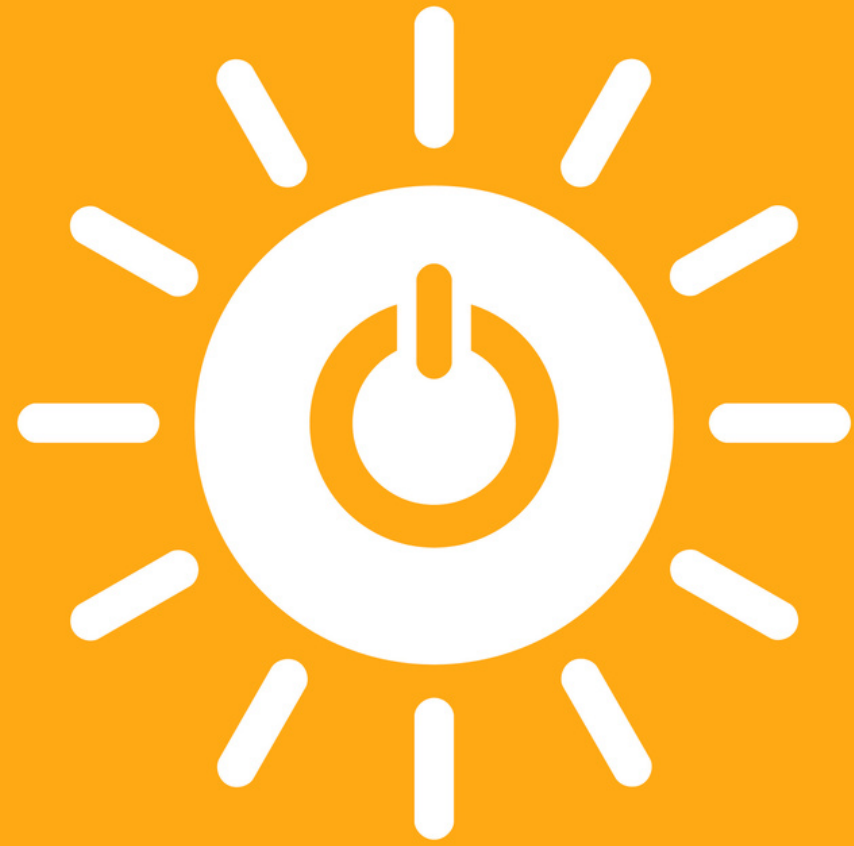

Main Themes:

- Safe Drinking Water
- Elimination of Water Transmitted Diseases
- Reduced Pollution
- Waterways Management

Tasks:

- Participation in conservation and waterway management projects
- Advocacy and improved education on water hygiene and the health benefits
- Research into infrastructure and technology that can help improve water management

7 AFFORDABLE AND CLEAN ENERGY

clean energy, fossil fuels, renewable, affordability, technology

Target:

Ensure access to affordable, reliable, sustainable and modern energy for all

Main Themes:

- Renewable Energy
- International Public Financing
- International Co-operation and Facilitating
- Technology and Infrastructure

Tasks:

- Research, education in and experimentation in greener energy/engineering
- Being conscious of energy usage during sessions
- Improvement of laws and policy in relation to energy usage and regulations
- Campaigns for relevant organisations (eg. Ecosia)

8 DECENT WORK AND ECONOMIC GROWTH

Child labour, slavery, economy, global trade, unemployment, finances

Target:

Promote sustained and inclusive economic growth, full and productive employment and decent work for all

Main Themes:

- Green Economy
- Sustainable Tourism
- Unemployment Levels
- Divestment

Tasks:

- Research and education into better economical practices
- Support and partnership with careers and employment skills
- Advocacy for divestment in fossil fuels
- Promote development of policies

9 INDUSTRY, INNOVATION AND INFRASTRUCTURE

Technology, enterprises, resilience, industrialisation, data banks

Target:

Build resilient infrastructure, promote inclusive and sustainable industrialisation and faster innovation

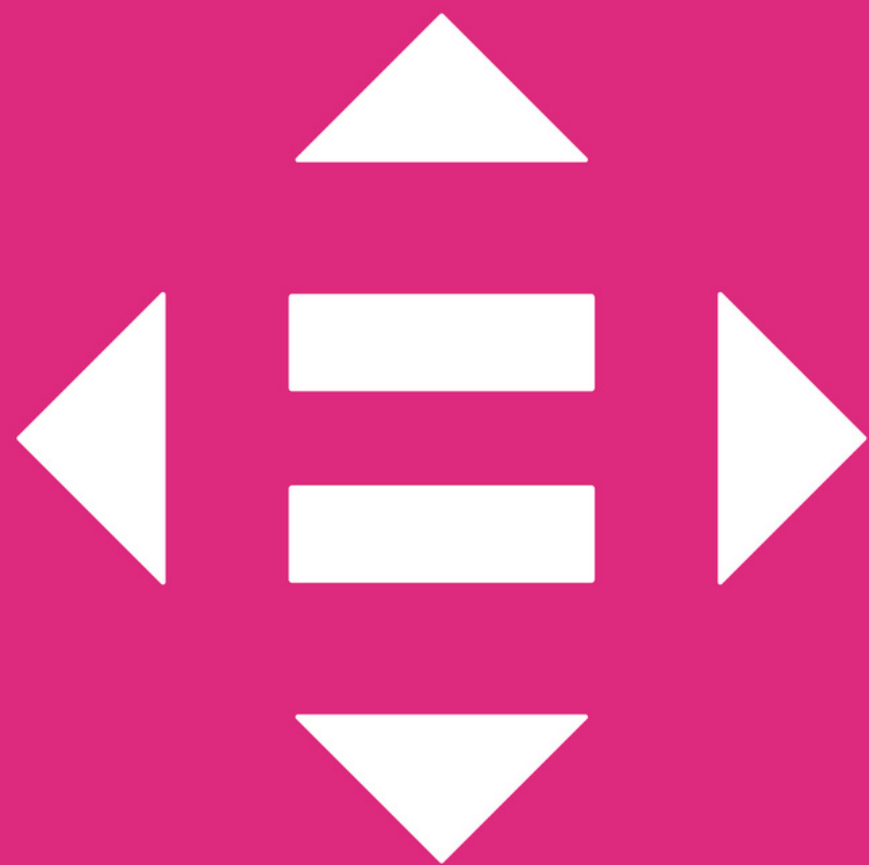

Main Themes:

- Resilient Infrastructure (Natural Disasters)
- Accessibility
- Sustainable Design

Tasks:

- Experiment and research into the themes and target within scientific, medical and engineering pathways
- Debating and discussions around the development of AI and modern technologies
- Communications and community development with the council and university estates

10 REDUCED INEQUALITIES

Ageism, classism, disability, ethnicity, homophobia, race, religion, discrimination

Target:

Reduce inequality within and amongst countries

Main Themes:

- Refugee Numbers
- Income Convergence
- Sexual and Discriminatory Crimes
- Safe Migration

Tasks:

- Enhance representation and awareness of minorities, ensuring equal opportunities for all
- Campaign and fundraise for supporting organisations or current human rights issues
- Being the voice for developing countries and communities

11 SUSTAINABLE CITIES AND COMMUNITIES

Air pollution, cultural heritage, slums, tourism, town planning, disasters

Target:

Make cities and human settlements inclusive, safe, resilient and sustainable

Main Themes:

- Disaster Risk Reduction
- Sustainable Travel
- National Strategies
- Protection of National and Cultural Heritage

Tasks:

- Working within the community to enhance living conditions, awareness of sustainable living and development of cultural issues.
- Advocating for access to natural spaces, safe travel methods and cleaner air conditions
- Outreach and investment in the city

12 RESPONSIBLE CONSUMPTION AND PRODUCTION

Supply chain, fast fashion, human waste, materialism, food loss, consumerism

Target:

Ensure sustainable consumption, purchasing and production patterns

Main Themes:

- Carbon Footprint Awareness
- Reduced Human Consumption Levels
- Chemical and Waste Management
- Sustainable Production

Tasks:

- Making efforts to reduce and keep track of your groups consumption levels and sustainability of purchases
- Purchasing recyclable materials and reusable equipment/marketing
- Hosting sustainable and re-purposing events

13 CLIMATE ACTION

Carbon emissions, greenhouse gases, extreme weather, sea levels, resilience

Target:

Take urgent action to combat climate change and its impacts

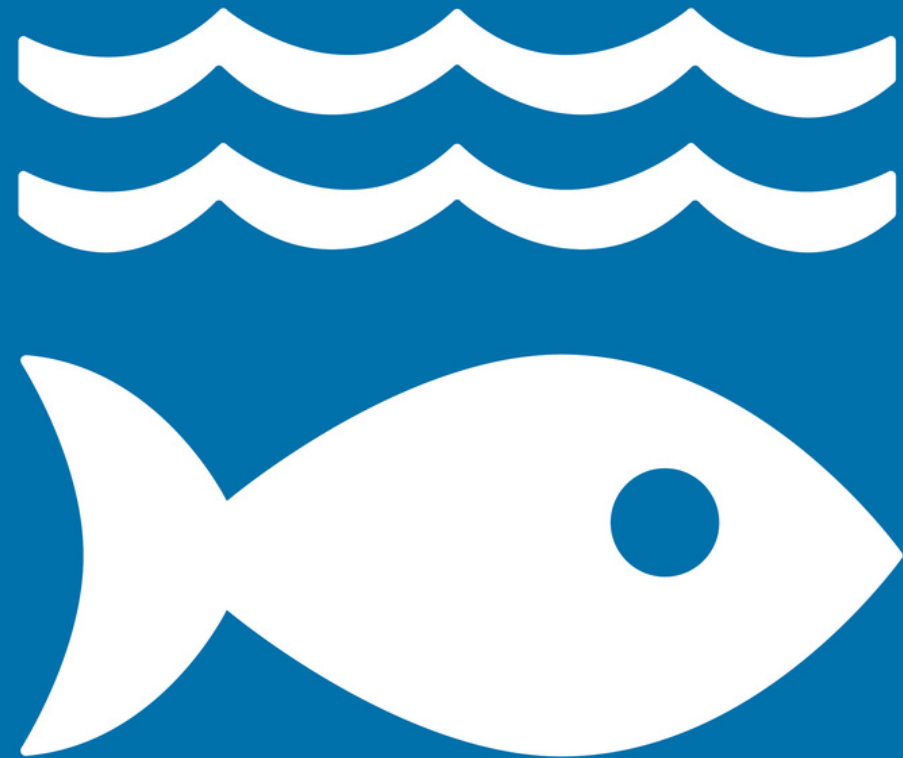

Main Themes:

- Conservation and Protection
- Integrate policies and political strategies
- Education and Awareness
- Strengthen Resilience

Tasks:

- Awareness and fundraising events for relevant charities and topics
- Improve education of sustainable practices within your society membership
- Advocacy for government and political change

14 LIFE BELOW WATER

Overfishing, coastlines, plastic pollution, coral reefs, overexploitation

Target:

Conserve and sustainably use the oceans, seas and marine resources

Main Themes:

- Conservation and Protection
- Plastic Pollution
- Over-Fishing
- Coastal Eutrophication

Tasks:

- Support and fundraise for local marine life and conservation efforts
- Consider what seafood you are purchasing
- Use your platform to advocate and raise awareness of the situation .e.g. using recycled materials to produce artwork inspired by our oceans.

15 LIFE ON LAND

Land loss, extinction, reforestation, wildlife, conservation, poaching

Target:

Protect, restore and promote sustainable use of terrestrial ecosystems

Main Themes:

- Forest Management/Deforestation
- Land Degradation
- Biodiversity Loss
- Poaching and Trafficking

Tasks:

- Campaign and fundraise for charities/causes working on conservation
- Incorporate awareness into your events
- Become involved with local and national planning
- Hold watch parties and movie nights focused on David Attenborough productions!

16 PEACE, JUSTICE AND STRONG INSTITUTIONS

Terrorism, inclusive society, judiciary, organised crime, security, violence

Target:

Promote peaceful and inclusive societies for all

Main Themes:

- War and Conflict
- Justice Systems
- Accountable and Effective Institutions
- Forced Displacement and Trafficking
- Illicit Financial and Arms Flows

Tasks:

- Advocate to change laws and policies regarding war and illicit activities
- Campaign and fundraise for current human rights issues across the world or within your community
- Ensure a safe space within your society, with freedom of speech and acceptance of others

17 PARTNERSHIPS FOR THE GOALS

Knowledge, global stability,
cooperation, development assistance

Target:

Strengthen the means of implementation and revitalise the global partnership for development

Main Themes:

- International Partnership
- Worldwide Change and Unity
- Stakeholders
- Capacity Development

Tasks:

- Use your platform to collaborate with other societies on your goals
- Work to create partnerships with international organisations and hold your communities accountable
- Education on international relations and cultural understanding
